Suggestion(s) or Observation(s), if any-

In this section the important Suggestions/Observations provided by the Parents are being listed to implement them in due course of time as per rules:

- The queries of students must not be taken for granted by some teachers of the concerned subjects
- Teaching and cooperation are excellent only need to work on infrastructure
- Classes should not be disturbed due to so many curricular and extra-curricular activities means there should be a balance between classroom activities and other activities/events
- It's a good college and its activities are good and beneficial for my child
- Over all everything is good
- Sometimes the Cleanliness and Hygiene is not proper in the class and college.
- My daughter improved her skills in both academic and sports. She learned many good things from her professors
- Regular updating the syllabus helps students stay informed about the changing trends
- In my opinion the college is good but also need to improvement as well
- All the facilities are great in every term and ward's study habit and learning are improved. She also participated in many programmes and activities. Teachers are very cooperative they clear all the doubts of my ward's
- Some of my positive observations are:- specific examples of child's strengths, like excellent participation in class discussions, consistent effort on assignments, positive social interactions and strong academic skills in a particular subject.
- The College campus is safe and secured for girls'
- Need to prioritize hygiene and cleanliness for maintaining a healthy & safe environment
- Need to provide better Infrastructure and placement opportunity
