From the Editor's desk, ..

In pursuit of ways to maintain and enhance quality in different aspects of higher education, the session 2015 – 16 started with a new zeal and enthusiasm.

Various integrated activities were organized to enthuse, enlighten and empower the students for the life beyond classroom.

An *Interdisciplinary Workshop on Case Study Approach and Developing Skills for Effective Reading* was organized which provided practical knowledge of developing scientific skill for effective reading and perceiving.

A *Workshop on Sculpture and Clay Modeling* was organized which not only helped the students to develop their creativity but also promoted experiential learning workshops on various career options such as Radio Jockey was organized to create awareness regarding its importance as a future career.

Com Edufest was celebrated by Department of Commerce which included students' Seminar on current policies of Government such as *Smart India – Digital India, Startup India* etc.

The *Sports Association* of the College organized various indoor and outdoor games in the Campus.

The College is continuously marching towards higher distinctions in numerous fields of curricular and extra-curricular activities.

The Editorial Board has made sincere efforts to cover all the activities held, any omission is regretted.

Editors

Interdisciplinary Workshop

December 8 - 9, 2015

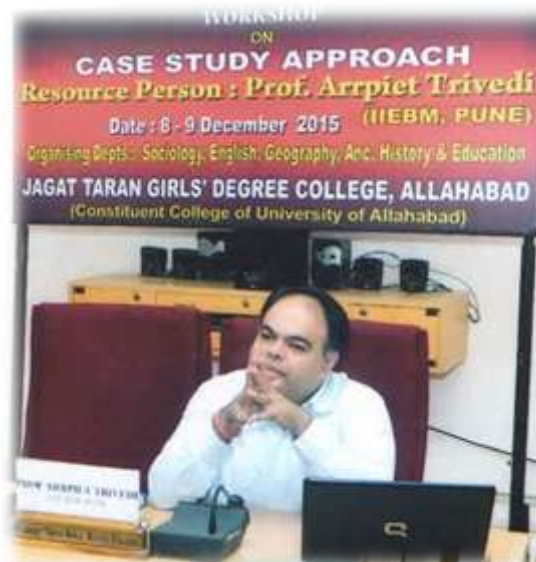

An Interdisciplinary Workshop on **Case Study Approach and Developing Skills for Effective Reading** was organized by the Departments of Sociology, English, Education, Anc. History and Geography on December 8 - 9, 2015.

The resource person was Prof. Arpiet Trivedi, IIEBM, Pune.

The aim of the workshop on **Case Study Approach** was to identify, describe, diagnose and solve the problems scientifically.

In **Developing Skills for Effective Reading** the techniques of reading, Skimming and Scanning were explained and demonstrated. It is a scientific skill which helps the reader to perceive, retain and assimilate the subject matter effectively.

Four sessions were held in two days. A large number of students actively participated. Assignments were given to students in groups for presentation and discussion.
